About Us

Welcome to Accoun**TX**, your trusted partner for **Outsourced Finance and Accounting Function**. We have been redefining the accounting outsourcing narrative for over a decade by transforming it from a mere business necessity into a strategic advantage.

At Accoun**TX**, we offer a comprehensive suite of services, including accounting, tax, incorporation, and compliance services. Our approach is tailored to meet the specific needs of each client, and we provide affordable solutions that are ***fairly priced***.

Our team comprises chartered accountants, company secretaries, and financial analysts who are passionate about leveraging their expertise, dedication, and technology to deliver top-notch financial solutions that are tailored to meet the unique needs of our clients.

Our **Global Desk** assists clients in setting up and managing businesses worldwide, right from India, providing cost-effective services for their global accounting, tax, and compliance requirements.

Simply put, clients are the heart of our business. We ensure that our advice and work really add up by putting imagination and value for money at our core.

India business strategy

A Foreign Company planning to invest in India shall look into these financial and tax aspects to prepare an Entry and Exit strategy for India Investment:-

Origin of investment

A few of the countries have more favorable tax treaties with India, one should look into these options

India Entity Structure

Depending upon the business plan one can opt for a liaison office, branch office, LLP or a Private Company

Mode of Investment

Investment in Equity or loan shall be planned considering the initial investment & expansion plan

Repatriation & Exit

Foreign investors can repatriate funds from India through different routes; each of them have different tax implications

India legal and tax framework

We shall analyze each possible business structure from perspective of the following relevant laws in India :-

1

Foreign Exchange Management Act (FEMA)

5

Goods and Services Tax laws (GST)

2

Indian Income tax laws

6

Transfer Pricing law

3

Risk of establishment of Permanent
Establishment of foreign entity in India

7

Labor laws

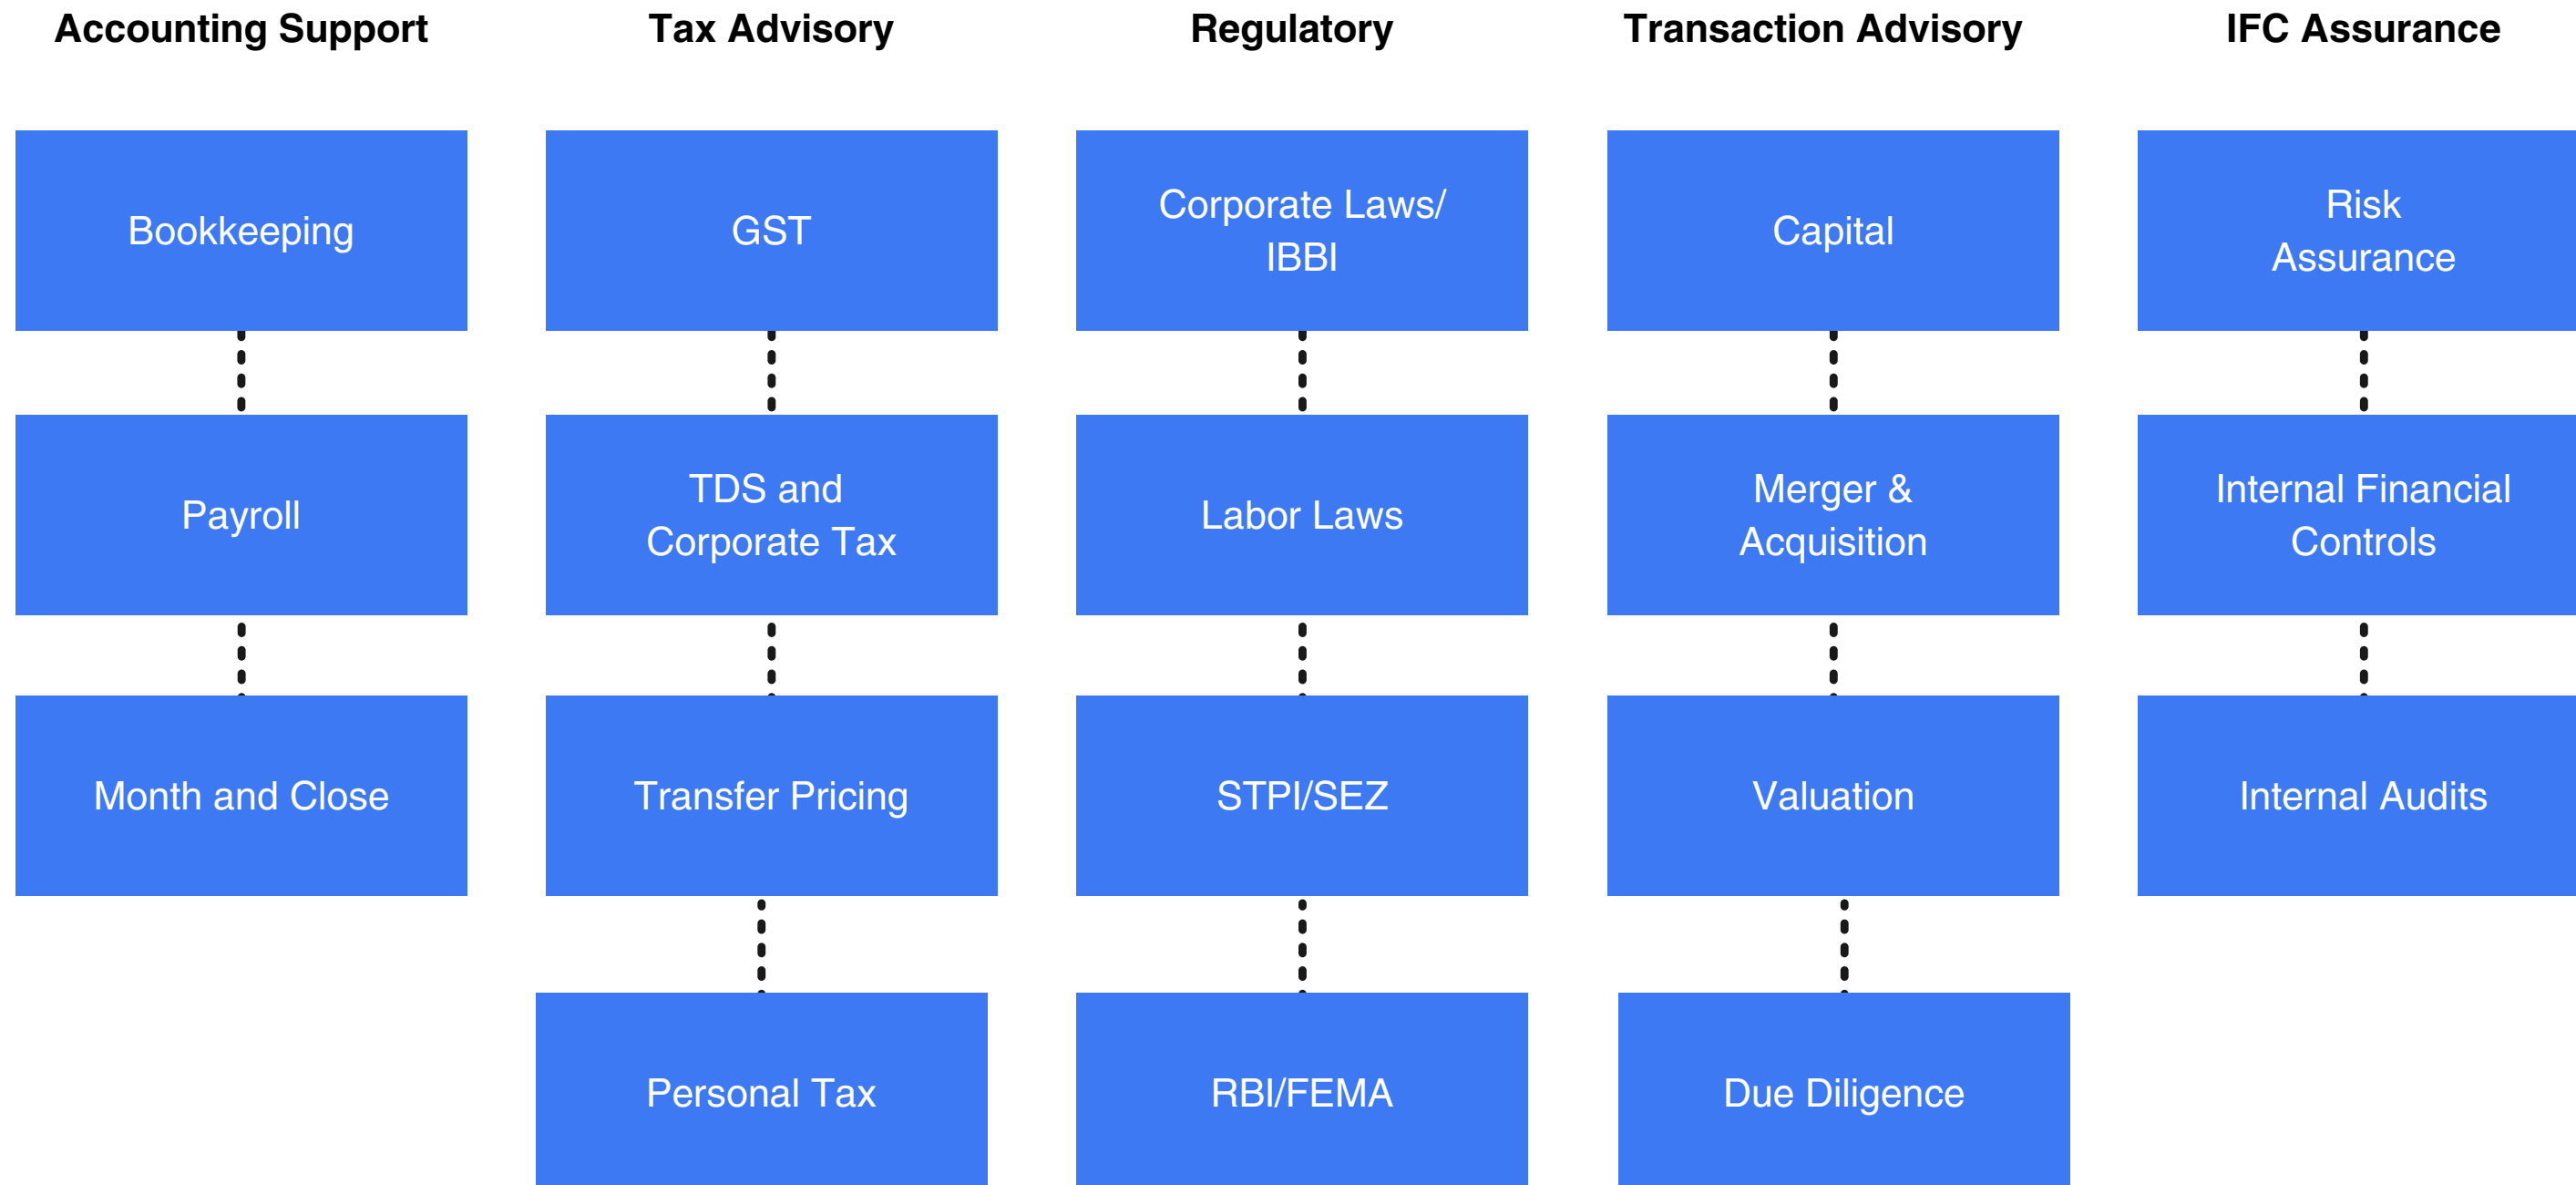

4

India Company act
